## BIG-BREAST CHALLENGE II: LINSEY VS. DEVON DANIELS

Dear *Voluptuous*,

You know how in sports, two teams meet in the first round of the playoffs and people say, "This would've been a great finals matchup"? Well, that's what I was saying after seeing Devon

Dear M.S.: You weren't the only reader who complained about Devon and Linsey meeting in the first round, but what can we say? The luck of the draw dictated the first-round matchups. Linsey did win (by the very narrowest of margins, 50.8% to 49.2%) over Devon and advances to this issue's quarterfinals, where she'll face Nadine Jansen. Turn to page 31 for the "Battle of the Boobs" and four great quarterfinal matchups, including Linsey vs. Nadine Jansen, Nicole Peters vs. Bea Flora, Lorna Morgan vs. Jenny and Marilyn Sakova vs. Sharday.

## DEVON SUCKS, SO SHE WINS

Dear *Voluptuous*,

Linsey had me going in "BBC-II" until Devon popped a couple of nipples in her mouth and took a deep suck. When I cum in my pants just from looking at a photo, I know I have a winner.—J.G., St. Louis, Missouri

Nadine Jansen goes tit-to-tit with Linsey in this month's quarterfinals of "BBC-2."

Devon (left) sucked on her own nipples in the "Big-Breast Challenge." Linsey also has self-sucking ability, although we rarely see it.

Daniels vs. Linsey Dawn McKenzie in the first round of the "Big-Breast Challenge II" (*Voluptuous*, Holiday '06).

We have here two of the greatest, if not *the* greatest, naturals in history. In my opinion, the pictures tell the whole story. Whoever wins this is probably going to win the whole thing. I guess some people might argue that Linsey is too thin for V-Mag, but to me, V-Mag has always been about big, natural breasts, regardless of the size of the model's waist. Looking at those photos, Devon doesn't have a big waist, either. Not that you can really see either girl's waist, their tits are so big!

There's more to tits than just size. Aesthetics count, too, which is why Linsey Dawn McKenzie has the greatest big tits ever, including Devon and Marilyn Sakova.—M.S., Lakeland, Florida

## BIG IS BIG, BUT LINSEY'S TITS ARE FIRM AND HEAVY

Dear *Voluptuous*,

Unfortunately, I've never had the opportunity to sample Linsey Dawn McKenzie's and Devon Daniels' breasts in person, but judging from the photos in the Holiday issue, Linsey Dawn's breasts are much heavier and firmer. Devon's tits are big and beautiful, but they don't seem to have the heft that Linsey's do. Please cast my vote for Linsey.—E.J., Tacoma, Washington, via email

Cherry (Holiday '06)

## NADINE'S NEXT VICTIM

Dear *Voluptuous*,

It doesn't matter who won between Linsey Dawn and Devon Daniels because either one of them will get devoured in the next round by Nadine Jansen, a true voluptuous beauty who is worthy of being in *Voluptuous*, unlike those two skinny skanks.—Name withheld, Fresno, California

Dear Reader: Aren't you the guy who two issues ago informed us that Bea Flora vs. Via Paxton didn't matter, either, because either one of them will lose to Nicole Peters? Damn, you have this whole thing figured out, don't you?

## APPROACHABLE CHICKS WITH REALLY BIG TITS

Dear *Voluptuous*,

Normal chicks like Cherry (Holiday '06) are the reason I buy *Voluptuous*. Cherry is definitely a hot, sexy lady, but if I saw her in my local sports bar, tossing back a Bud Light, I wouldn't be afraid to approach her. Hopefully, she would be wearing that red-and-white checked shirt she's wearing in her pictorial.

**Redhead Sapphire and blonde Samantha Sanders shared a dildo in the Holiday '06 issue. You'll never see bigger natural tits in a girl-girl pictorial.**

Thanks for Cherry, and thanks for all the big-titted babes who we could probably fuck if we just gave it a little effort.—R.W., Topeka, Kansas

### **SAMANTHA, SAPPHIRE & REMOTE-CONTROL DILDOS**

Dear *Voluptuous*,

What a great tit show Sapphire and Samantha Sanders put on in the Holiday '06 issue. That two-page photo of them sharing a double-donger made

my year! Made my life! Man, what I wouldn't give to be at the helm of a radio-controlled double-donger, controlling the speed and depth as it plunged in and out of their plastic-connected cunts.

Sapphire obviously gained some weight for this pictorial, and just as obviously, all of her weight has gone to her tits. God have mercy! It just amazes me that she's a receptionist. Can you just imagine having a pair of tits like that hanging around your office every day? I'd never get any work done.—R.T., Lansing, Michigan

### **WHY CAN'T YOU FUCK THE KIND OF GIRL YOU MARRY?**

Dear *Voluptuous*,

In the Holiday '06 issue, you say, "There are some girls you fuck and some girls you marry. Guess what Belle is?" I'm assuming that you think Belle is the kind of girl you fuck, and I think that's being unfair to her.

Please tell Belle that if she would move to Texas and marry me, I'd fuck her a lot, too, and I wouldn't complain if she went out and got a little variety once in a while, as long as she didn't mind if I did the same. Heck, I'd even move to Missouri if she'd marry me!

Tits like Belle's were meant to be shared, but I'm selfish and would be proud to call her my wife.—P.D., Galveston, Texas, via email

Maria Moore's tits never looked bigger than they did in the Holiday '06 V-Mag.

## THE STARS OF THE HOLIDAY ISSUE: WORTH WAITING FOR

Dear *Voluptuous*,

You really saved the best for last in the Holiday '06 issue. Usually when I see a headline like "her bustiest day ever" on the cover of a big-tit mag, I think it's bullshit and a way to sell more magazines, but with Maria Moore, it was true. Her tits are huge! I'd love to pop one of those big sucklers into my mouth.

Then, Redd Adaire. Words can't do justice to her overall beauty and sex appeal. She is truly a wondrous female specimen with her lovely face, red hair and plush, lush body. More, please! You know which photo I really liked?

Newcomer Redd's beauty and plush body was a hit in the Holiday '06 issue.

**Wouldn't you love to see Melissa's torpedo-shaped tits covered with cum?**

The one where she's on her back with her legs spread and her finger tracing the outside of her pussy opening. I can imagine fucking her in that position and feeling my balls banging against her flesh.—D.W., Geneseo, New York

### **MAN, THE TORPEDOES!**

Dear *Voluptuous*,

You guys hit it right on the money with your description of stunning newcomer Melissa Mandlikova in the Holiday '06 issue. Torpedo-shaped tits is right. Now I'd like to fire off my missile between those babies and land a shot of cum on her chin that drips right onto her tits. Please tell me that she's going to do hardcore, because I just have to see her tits coated with

cum. I mean, she did say that she admires porn stars, right? Don't drop the ball on this one, V-Men.—K.D., Kingston, Ontario, via email

Dear K.D.: We're working on getting Melissa and her torpedo-shaped tits back into the magazine, either by herself or with a rock-hard male partner. If you can't wait to see more of Melissa, check out her pictorial in the December '06 issue of *SCORE*, available online at [eBoobStore.com](http://eBoobStore.com). Or just give us a ring at 1-800-421-0760 and we'll mail off a copy to you.

### **LILY'S FIRST FUCK, AND IN PRAISE OF THREE-WAYS**

Dear *Voluptuous*,

Congratulations on getting a cock into Lily Valentine's mouth and between those big, fleshy pussy lips of hers in that new DVD [*Sleeping Sluts*, available on page 72]. I figured it would take you years, if ever, to get her to fuck, but she did it right away. Loved the centerfold shot of her looking right at us while she gets impaled by a cock. Also loved the tit-fuck shot of Monique L'Amour. That has to be one of the greatest tit-fuck shots ever.

I also loved the three-way with Cherry and Brandy. The only thing missing was Brandy sitting on top of the guy's cock while Cherry sucked on his balls. More three-ways, please, as long as they have two girls and one guy.—R.M., Whistler, British Columbia

Dear R.M.: Readers of our international edition can see Lily Valentine fucking again in this month's Xtra section.

**There might not be a more beautiful sight in the world than 2006 newcomer Lily Valentine on her back, tits splayed, legs spread, pussy ready for fucking.**

# “The Amazing ‘Natural Attraction Secrets’ of a 5’7” Former Loser From Texas, That Literally Compel Beautiful, Desirable Women To Approach You First, Begging for a Date, No Matter Your Looks, Age or Income”

**WARNING:** When You Put These “Women Approach You Secrets” to Work You Must Be Careful Not to Attract TOO MANY Women Too Fast! Why would any sane man reveal these secrets in a **FREE Report** if they were true? Read my message below to find out...

If you are frustrated with your relationships with women, and want to spend your time with desirable women who all approached you first, this may be the most important message you ever read. Here's why:

My name is John Alanis, and I used to be a complete loser when it came to meeting women (even ugly ones). Whenever I saw a beautiful woman I got so scared, I literally made myself sick at the thought of approaching her. I'd walk away, wondering “what could have been” if I'd only had the “guts” to talk to her. **Maybe you've had a similar experience.** Here's what was even more frustrating: on those few occasions when I was “lucky enough” to get a “date” I never got a second one....

instead **she always told me what a “nice guy”** I was, but she “just wasn't attracted to me.” And then she'd go moon over some “jerk” who cared nothing about her, and would **dump** her for her best friend at a moment's notice!

Has that happened to you? **It sucks, doesn't it?** But it gets worse... what would happen next is, one of these jerks would dump the woman I *secretly lusted after*, and she'd come crying to me, telling me what a great “friend” I was for “listening”... and she'd move to the next “jerk,” crushing **my feelings** like a grape. The one time I did have a “steady girlfriend,” I discovered **she was just using me for money**, even though I really didn't have much of that. She never had a problem taking what little I did have, though.

I was beginning to think I'd be “celibate for life,” when an unusual thing happened that put me on the true path to “male liberation” and literally **allows me to attract any woman I want, on demand!** And, I'm convinced any man can duplicate my success, no matter your looks, age, or income.

Skeptical? I don't blame you... if you'd told me a few months ago I'd be able to compel desirable women to boldly walk up and talk to me, I'd have called you a big, fat liar, right to your face.

## How I “Accidentally” Raised Myself From Failure to Success with Desirable Women

I've always been fascinated by psychology, and the one thing I've always had going for me is the obsessive will to learn new things. Anyways, I was at a seminar awhile back, listening to a short, fat, dumpy guy speak on the subject of advertising. What this guy had to say about what makes people “tick” was truly amazing... but what was even more amazing was the **reaction of all the women in the audience to him after he was done speaking!** They all rushed to him, vying for his attention. And these weren't ugly women.... they were intelligent, desirable, beautiful businesswomen... who all went “gaga” like little girls over this short, fat, dumpy guy! I watched him take the numbers of 3 drop-dead gorgeous women before he finally left. I had to know this guy's secret.... how could someone that ugly literally have hot, sexy women throw themselves at him?

## The Amazing “Natural Attraction” Secrets of A Desperate Nerd From Texas!

Luckily, I was able to corner him before he left the room, and I somehow talked him into having dinner with me. As we sat down to eat, I asked him, point blank: “Look, you're not exactly the best looking guy in the world... in fact you look sort of like a basset hound.

**Yet, you have hot women throwing themselves at you... what's your secret? What do you do? And, will it work for me?”**

He laughed when I said that. Then he told me something I'll never forget as long as I live: “John,” he said, “I've been in advertising for a long, long time, and I've been involved in amazing research into what makes people buy things.”

“The psychological processes that get people to buy are the exact same processes that get women to become attracted to you. I used to be a complete loser when it came to women, until I applied what I learned in my advertising career to my love life. And ever since then, the results have been phenomenal.”

“The truth is, **every man is already ‘naturally attractive’**... it's biologically programmed into us, much like it is with animals in nature. But, in our modern society we've gotten away from our natural instincts and are taught the opposite of what works.”

“All you have to do is “switch on” the biologically programmed “attraction triggers” all women have deep inside, **then stand back and let them come to you. Looks don't matter, age doesn't matter, income doesn't matter... all those things we've been taught about ‘dating’ and ‘romance’ are just plain wrong. Stop dating, and start attracting... it's really simple.”**

## Most Men Do NOT Attract Women Simply Because They Were Never Taught How!

Then he told me step-by-step exactly how he attracted women, and how I could do the same. As he talked, I realized he had truly, “cracked the code” and that attracting women was nothing more than a paint-by-numbers, step-by-step, brain-dead simple process. **It works for every man** because you're already born with natural attraction that is genetically designed to “flip on” biological attraction. **It can't not work.**

## Here Are A Few of These Remarkable Secrets

- **How to tap into your natural attraction to “magnetically draw” the most desirable women to you** (they'll come up and talk to you first, already “pre-disposed” to liking you...)
- The seven deadly turn-offs that will guarantee you instant failure with any woman (if you're currently failing with women, it's because you're unconsciously broadcasting one... and probably more... of these attraction-killing turn-off's)
- The amazing “romance novel hero” secret that will have her thinking about you (and ONLY you) even when you're not around (not one in a thousand men knows this simple secret, yet it's incredibly powerful—never be cheated on again)
- **Just looking for a “casual encounter?”** Here's how to tell (within 15 minutes) if she's open to being your “adventure partner” or “special friend” (and many more women ARE than you think) or if she's only interested in a committed relationship (this secret lets you avoid giving a woman “false expectations” so you won't “hurt” her like all those jerks out there do)

**How to use a subtle “test” to discover if she's even qualified to spend time with you** (this is the ultimate “turning of the tables”—women test men over and over.... now you get to test her to see if she's “good

enough” for you... and make sure she's not a stalker, gold-digger or psycho-path)

- How to read little known female signals that let you know she's attracted to you (and why you must act immediately when you sense these, or risk losing a woman who wants you, now)

- Secrets to using your body language for maximum “attraction effect” (the wrong kind will turn women off... the right kind can have them flocking to you)

- **How to attract women by saying nothing at all!**

- **Why? Here's how to use your “shyness”** to literally force women to chase you (they won't think you're “shy” at all, they'll think you're “mysterious” and “challenging” and wonder what it takes to get you to “open up!”)

- How to “position” yourself so multiple women compete for your attention (never compete with other men again... now they can jealously watch women chase you, and wonder what YOUR secret is)

- How to **never be nervous or flustered** ever again when talking to women (when they approach you, it's remarkably simple to be calm, cool, and collected... you get to make the “rejection decision,” not her)

- How to **never spend more than \$1.84 on a “first date”** and have her thinking it was the best “date” she ever had (she'll be dying to see you again... If you decide she's “your type,” not the other way around)

- **How to create an “automatic referral system” that compels your female friends to compete with each other to see who can bring you the most women**

... and much more. Look, no matter if you want to meet a woman for purely “physical reasons,” or you truly, deeply want to meet that “special woman” to spend the rest of your life with these secrets have the power to...

## Give You Absolute Power and Control Over All Your Romantic Outcomes For Life

Let's cut to the chase. You have just read a detailed description of these remarkable “natural attraction secrets” and what they can do for you. However, I must warn you, these secrets are not for everyone. ## Fuckin' Mo' Titties

**Five black 'n' stacked babes in wild suck 'n' fuck action**

Why do black chicks have the biggest tits and the pinkest pussies? Why do they have mouths that suck cock harder and tongues that lick balls better? Why are we asking all of these stupid fucking questions when we'd much rather be watching the new DVD *Fuckin' Mo' Titties* and jacking our cocks?

# Fuckin' Mo' Titties

F-cup Carmen (Holiday '05) does things the nasty way, like making her cheeks bulge when she's sucking dick, pulling her legs behind her head for wider exposure and deeper fucking and letting cum drip from her nose and onto her big tits.

# FUCK N MO' TITTIES

Alexis Silver has that look in her eyes that says, "I'm a dirty girl and I love to fuck." She's doing some yardwork and getting all wet when a guy shows up with a hard cock. Unable to resist, she sucks him off, gives him a tit-fuck and rides his cock with her shaved pussy.

## Fuck'n Mo' Titties

Acclaimed by many as the greatest naturally big-titted porn star ever, F-cup Sierra shows why as she fucks in every position imaginable. The great thing about Sierra is that she always looks so happy. Shaking her giant tits in the guy's face? Smiling. Sitting on top of his cock, tits flopping all over the place? Smiling. Jacking him off on her tits? Smiling. She's proud of her natural-born ability to coax a load of cum from any man's balls...including yours.

Like the girls in the new DVD *Sleeping Sluts*, Panther (Holiday '05) wakes up to cock. So she sucks it! And fucks it! And takes it between her tits. She licks balls and deep-throats the cock, because although Panther looks like a good girl, she isn't. None of these girls are!

Here's Annie six months pregnant. Next issue, you'll see her at nine months.

### ANNIE PREGNANT: YES!

Dear *Voluptuous*,

Thank you for the pictures of Annie Swanson pregnant (Holiday '06). Annie actually said, "I'm pregnant! Do you still want me?" Fuck, yeah, I still want her, but what I really want is to hear the story about how she got pregnant, in her own words.

I want to hear about how her husband or boyfriend or whoever slipped on a condom, and she said, "No, honey, I want your cock without any plastic on it." I want to hear about how she sucked his cock until it was hard, and when he was about to cum, she stopped sucking and said, "No. I want your load in my pussy." I want to hear about how she laid on her back, spread her legs and got fucked by that naked cock, then how she took his load deep in her pussy. I want to hear about how, when he took his cock out, she stuck her fingers deep into her pussy, just to push the cum further in.

I love Annie with her big tits and bigger belly, and I can't wait to see her again nine months pregnant.—J.G., Baltimore, Maryland

# CHAVON TAYLOR

**Say hello to an E-cup newcomer who wants to have fun.**

"Guys think I'm older because I'm such a good fuck," said 19-year-old Chavon, who is double-debuting this month in V-Mag and SCORE. Chavon, we've got news for you: Guys think you're older because they can't imagine how a teen can have tits like yours. "I'm definitely a teenager," Chavon said as she scooped up a handful of popcorn and spilled some in her cleavage. "Having fun is, like, the biggest thing to me."

Chavon's idea of a good time is fucking in the bathrooms of nightclubs and going to parties where a lot of sex is going on. "Now that I'm doing porn, I don't fuck as much in my private life as I used to because I'm getting all the dick I want," she said. "But I still need to fuck at least two times a week because that's when I get to do the things I really like, like having a guy go down on my pussy and riding his dick the way I want. I really get into it. I mean, I've had neighbors call the police on me."

## BARE FACTS

### CHAVON TAYLOR

**Birthday:** November 5, 1987 **Age:** 19

**Height:** 5'1" **Weight:** 124 lbs.

**Bra Size:** 34E **Measurements:** 40-28-38

**Born:** Waltham, Massachusetts

**Lives:** Los Angeles, California

**Occupation:** Porn star and receptionist.

"And one day, I'm going to be a stylist in the cosmetology industry, definitely in Hollywood! I'm gonna make all the big movie stars look beautiful."

Yeah, Chavon did say that she's doing porn, and you won't believe she's only 19, either, when you see her fucking and sucking and taking cock between her tits in an upcoming *Voluptuous* DVD. "Fucking for V-Mag was fun because I did a lot of tit-fucking, and I love tit-fucking," she said. "I love having a big, hard dick between my tits. I love looking up and seeing a guy looking down at my tits, like he can't believe they're so big and soft and his dick is between them. C'mon, cum all over my tits, baby!" Yeah, that's right. She's only 19.

FICTION BY ED LERNER

**He was down on his luck.  
And the big-titted  
receptionist was just what  
the doctor ordered.**

**B**randy looked up as I entered the empty waiting room and greeted me with her usual 24-Karat smile. She hung up the phone and said that my first patient of the day was already in the examining room.

I checked my watch. "She's early."

"Needed time to fill out her new-patient history," she said as she handed me a clipboard. Then Her expression changed. "It's over now? Officially?"

I nodded. "Just signed the papers."

"You need to talk or anything?"

"Thanks, Brandy, for being there for me. You've been..."

"Enough already," she interrupted, and she nodded toward the exam room.

I looked at the name on the clipboard: Carmen Reyes. That would be the one. I had arranged for this appointment a week ago, when I learned the date of the final dissolution of my marriage. February 14th. Valentine's Day.

A bad day for a divorce.

Probably a worse day to be fucking a hooker, and as I entered the examining room, I wondered if I could sink any lower. Then I saw her.

"Hello," I said.

"Hello yourself, doctor," she replied.

"And you can pick your chin up off the floor now."

It's been said that the partially-clad

female body is sexier than the nude one, and Carmen certainly proved that. She stood in her bra, panties, hose and heels, wearing a gold chain around her neck that dipped into her cleavage. Her long, thick black hair fell across one shoulder and rested on the slope of a large, exquisitely formed breast. Her nails and lips were matching scarlet, and her black eyes and Mediterranean skin lent her an exotic allure. The clothing she wore was black, from bra to heels, and her bra, wide-cut and fas-

tened low in the front, struggled to support her endowment.

She smiled at my obvious awe. "Now, before we begin, there's the matter of..."

"Of course." I nodded and drew my billfold out of my pocket.

"First doctor's visit I've ever had where he paid me instead of the other way around," she joked as she counted the money. "Wait, there's more than my fee here."

"That's for my receptionist when you leave. To pay the bill."

"Got it. Oh, FYI, my med history's bogus. Your receptionist thinks I'm here for a sore throat." The corners of her mouth turned up. "Instead of a deep throat."

She put the cash in her purse. "Now, Doctor, what can I do for you? I get the feeling that you're not the happiest person in the world right now. And when you're in the same room with me, you should be."

"I have a confession to make."

"I'm not a priest. Unless you're into that sort of thing."

"No, nothing like that. See, my wife divorced me. Today. One hour ago."

"Uh huh."

"And walked out of the lawyer's office...with another woman."

Her lips formed an O. "Bet you're pissed, right?" she said. She hopped onto the exam table, and her breasts bounced inside her bra. "Want to prove you've still got the chops, right?"

"You should be a psychiatrist."

"Part of my job," she said. "Listen, from my perspective, you should feel good."

"Good?"

"Sure, Doc. Listen, if she leaves you for another man, that's one thing. She leaves you for a woman, that's another. You can't compete with that. See the difference? You're off the hook. It's not your fault." She grinned. "Of course, her timing could've been better. Valentine's Day? Very romantic."

We both laughed, and I took a deep breath. "You're right, Ms. Reyes. I could kiss you for that."

"Well, why don't you? And while you're at it, why don't you fuck me, too, my good doctor?"

She wrapped her legs around me as I kissed her, and she thrust her tongue inside my mouth. She grabbed my hand

and pressed it to one of her tits as I slid my free hand up the side of her leg, into her panties, and cupped the flesh of her tight buttock. Carmen felt me harden against her.

"Still got the chops," she whispered.

Quickly, she stripped me down and stood with her back against my chest. She reached between us to grab my erection as I cupped her breasts, lifting them high enough to make twin circular creases at the top. I unfastened the clip, then hefted her breasts high again to get a look at her nipples. They were small and dark, and their nubs begged to be teased. I held them between my thumb and forefinger and twisted them, then turned Carmen to face me so I could capture her nipples in my mouth.

"Suck on me, baby," she moaned.

"Suck on my big tits, then I'll suck on that big cock of yours."

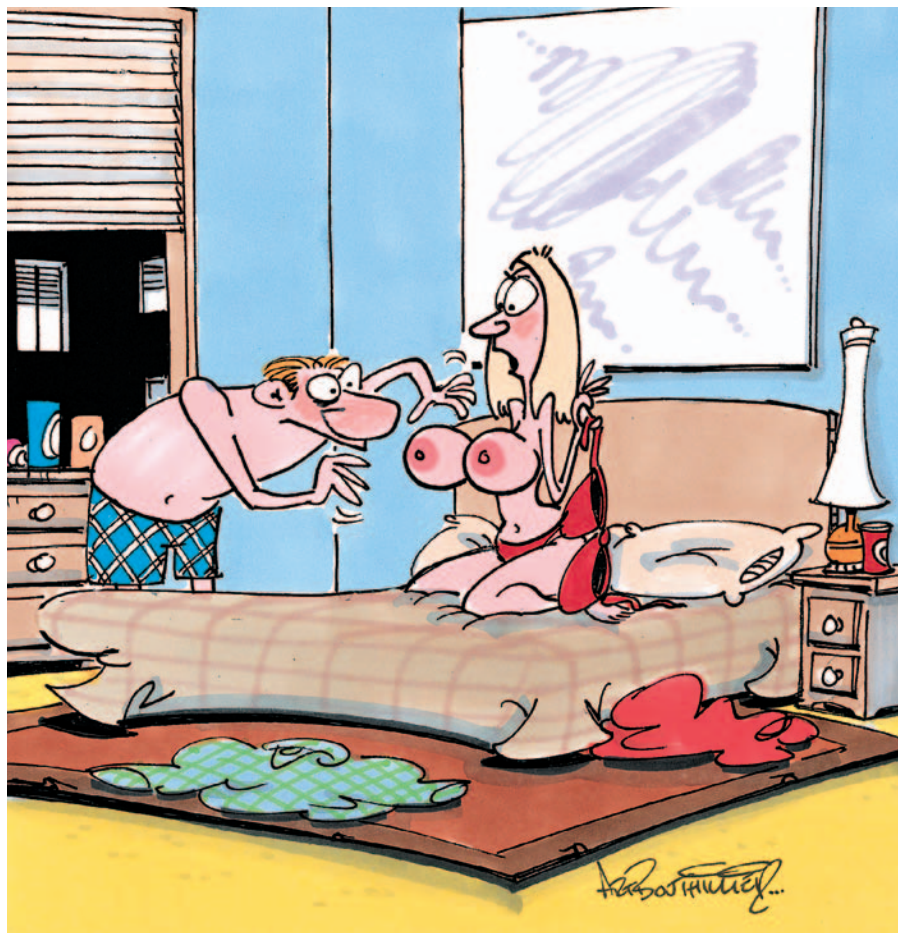

Carmen lay me down on the exam table, spread my legs and cupped my balls with one hand while stroking my cock with the other. She held my cock to her tits and rubbed the head against her nipples. I fucked her cleavage as her tits rose and fell, pressed together by her hands. My head fell back onto the tiny headrest, and I felt my erection encircled with warm wetness. I propped myself on my elbows, looked down and saw her red lips sliding over the head of my cock and down to the base of my shaft. Her mouth went up and down as if she were bobbing for apples, and I lay back again so I could reach a hand toward her breast. I barely touched her at first, to let her nipple tickle my palm, then pressed my hand against her and squeezed. Her response was an "Mmmm" that vibrated all the way around my shaft.

Her mouth released me, and she moved to stand opposite my head. Carmen leaned forward, held her breasts above my head and dropped them onto my face. They felt like a pair of water balloons. She rubbed her tits briskly over my head, and my face appeared and then disappeared between them again. My mouth sought out her nipples, but she was too fast for me, challenging me in this game of sex without love.

*Now why did that thought jump into my head?* I wondered.

No matter, because Carmen was doffing her panties and climbing on top of the table. She knelt over my face, her

**I**t started in the June '06 issue with 16 V-Girls vying for the right to say, "I have the best tits in the world." Now, the field is down to eight survivors competing in four quarterfinal matches on the upcoming pages. These girls are doing everything in their boob power to sway the judges...you! This competition is all about tits. May the best pairs win!

**H**-cup Linsey got here by scoring a narrow victory over Devon Daniels. Nadine's F-cups delivered a whipping to Bozena. Now, two girls who are very different in appearance and boob shape are going tit-to-tit for a spot in the semifinals in the July '07 issue. Nadine fits the definition of "voluptuous" better than slim-n-stacked Linsey does, but remember: "Big-Breast Challenge II" is all about the tits. The only question you need to answer is, whose tits are better, Linsey's or Nadine's? We have a feeling the photos on this spread just made your job more difficult.

**NADINE  
JANSEN**

## JENNY

**S**ize-wise, this one looks like a mismatch. Jenny's H-cups put the hammer down on Cherry Brady's G-cups in the quarterfinals, and now they're up against Lorna's smaller rack (which upset Kerry Marie in the first round). But although "BBC-II" is all about the tits, it isn't all about size. Aesthetic appeal matters, too, and that's what Lorna will be depending on if she hopes to score a second consecutive upset. Are her beautiful, sloping breasts and buttercup areolae enough to upend one of the hugest naturals ever?

**LORNA  
MORGAN**

## SHARDAY

**T**he recently-retired Sharday can add to her Hall of Fame resume if her DDD-cups can knockout G-cup Marilyn Sakova, one of the most spectacular big-bust finds of the past decade. In the first round, Sharday defeated Kelly Kay while Marilyn KO'd Carol Brown, but this one figures to be a lot closer. Based on sheer size, Marilyn is the clear winner. But will the weight and firmness of Sharday's tits carry the day?

# JARMILA

**She's lived out one fantasy by fucking on video. Want to help her with another?**

"Fucking in front of the camera for *Voluptuous* was the best thing I ever did for my sex life," said Jarmila, a strapping (6'1", 174 pounds) Czech chick who did the deed, all happy and smiling, in the April '06 Xtra section. "I've always been very wild in bed, and now when I show my pictures to whatever man I'm with, he gets hornier and wilder. It is good for both of us!"

Jarmila has shown her XXX-rated pictures and her DVD, *SCORE Cock Drainers*, to some of the men she's fucked, but she hasn't lived out her ultimate bad-girl fantasy. "I want to watch my video with a man and do everything I'm doing in the video. When the man in the movie is sucking my tits through my bra, I want the man I'm with to be sucking my tits through my bra. When I am giving a blow job and playing with my tits in the movie, I want to be giving a blow job and playing with my tits. Do you think anybody would do this with me?" Jarmila, the line is forming!

pubic thatch directly over my mouth.

"Time to floss," she said as she pulled my face into her crotch. And, in fact, I did get some hair between my teeth as my mouth locked onto her pussy lips and my tongue went exploring. As I sucked her cunt, my hands kneaded Carmen's breasts as if they were two loaves of dough. She squealed as my teeth nipped at her clit.

Carmen jumped off the table, reached into her purse and produced a foil packet. She slipped the sheath on me, expertly slid it down my shaft with her mouth, climbed on top again and guided me inside her tight, wet pussy.

"Fuck my cunt," she said as she lifted and lowered her hips. She leaned forward, her breasts hanging inches from my face. "Suck my tits."

Her dirty talk was no turn-on, but seeing those nipples pointing at me was, and I tried to suck all of one breast into my mouth while I furiously fondled the other.

We went from cowgirl to reverse to doggie-style right there on the exam table, and in each position, I was able to capture Carmen's breasts in my hands as my cock plowed into her pussy. When she knew I was ready to cum, she jumped off of my cock and pushed me off the table and onto my feet.

"Stand on the footrest," she commanded as she lay on her back with her head hanging over the end of the table directly before me. She stripped the condom off my cock and demanded, "Fuck my face."

I pushed my cock into her mouth as I grabbed her breasts from the sides and pushed them together to form a pair of dark-tipped peaks. Carmen knew I was at the edge, and she had one more command: "Fuck my tits."

I climbed back onto the table and held my cock between her tits as she pushed them together. With a sudden intake of breath and a moan, I came. Carmen held my hard-on as I spurted cum onto her nipples and between her

breasts. She lifted her head to catch some spray with her face, and I reached forward to hold her head up.

We were both breathing heavily as I looked down at Carmen's face. Both of us were smiling, but her eyes reflected something else. It almost looked like she felt sorry for me.

Carmen got dressed as I prepared her "bill" to give to Brandy along with the extra cash I'd handed her earlier. I'd just had the best sex of my life—understandably, considering my ex's sexual orientation—yet I felt

to my ex. I sat alone in the exam room, heard the pleasant exchange between Carmen and Brandy ("Be sure to call us if your throat doesn't improve") and let out a woe-is-me sigh.

*Snap out of it, idiot,* I said to myself. *Lots of people get divorced.* As Brandy might say, Cry me a river, build me a bridge and get over it.

Brandy. My receptionist for the past three years. More beautiful even than my ex and probably the best friend I'd made since moving to the city. She was of average height, but height was the only thing average about her. She dressed modestly, usually in pant suits, but nothing she could wear, except possibly a tent, could hide the bulge of her breasts, so large that a lesser woman might've had to wear a back brace in order to stand up straight. She didn't flaunt her figure, though. She sometimes seemed somewhat self-conscious about it.

Pardon the pun, but Brandy was not one to put up a false front. She was genuine, empathetic, ready with advice when asked but mum when not. She had recognized the change in me when my marriage problems began, and I soon found myself sharing confidences with her that I couldn't share with anyone else. If I hadn't been married already...

*Don't go there,* I cautioned myself, and I wondered why Brandy hadn't announced my next patient. I'd built up a good practice in three years, and there was never a time when I was lacking for people wanting to see me.

I walked into the reception area and found the waiting room empty. Brandy was at her desk with a cat-who-ate-the-canary look on her face. She smiled and pushed herself away from her desk.

"Maybe I was out of line, but I've just postponed the rest of today's appointments," she said.

"Why?"

"Listen, today's not the day for you to see patients. You've got too much on your mind. Frankly, you need a break."

somehow deflated. Carmen recognized it. She took the bill, gave me a peck on the cheek and said with a trace of sadness, "Doc, the problem is, your dick was into it, but your heart wasn't."

She was right. I'd hired my first-ever hooker as both an affirmation of my own virility and as a "Who needs you?"

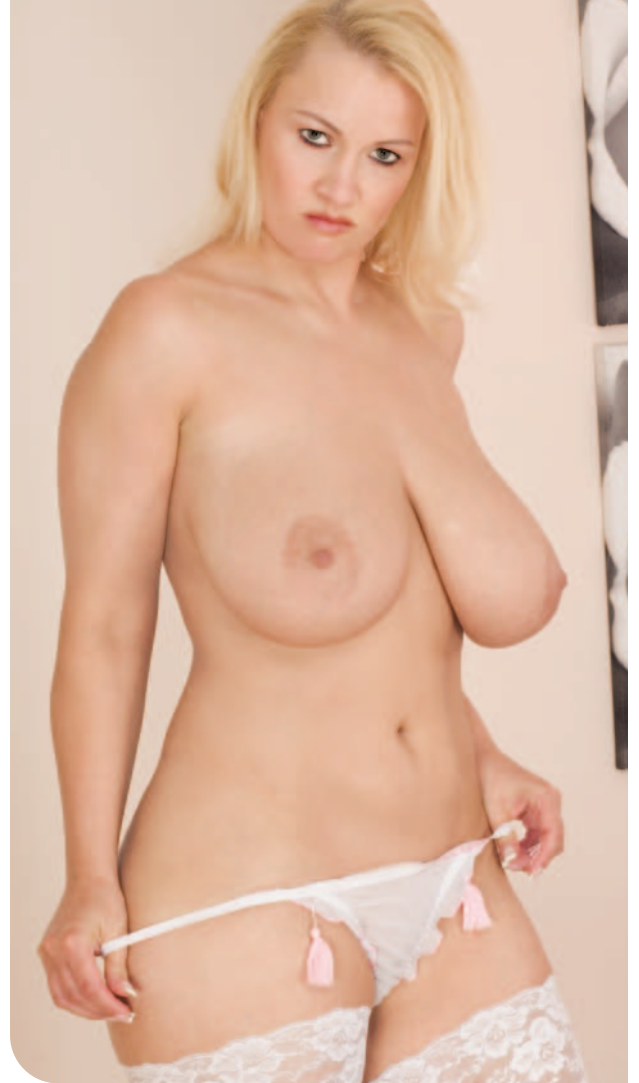

## PEGGY SUE

**The nymph inside of this E-cupper finally busts out!**

"The people I work with would be very shocked if they saw my naughty pictures in a magazine," said E-cupper Peggy Sue, a financial advisor from Cologne, Germany and our second newcomer of the issue. "They know me as serious Peggy Sue, but that is only because they are very serious, too. I love modeling naked for *Voluptuous* and *SCORE*. It's fun. I get to feel very sexy and very naughty."

What would happen if the people at work saw Peggy Sue's hooters displayed for all the world to see? "My boss would fire me because his wife is very jealous, and the other men in the office might finally try to date me," she said. "None of them notice me now." That seems impossible, but Peggy Sue says she dresses conservatively at work. "It would be very unprofessional to draw attention to my chest," she said. "But here, I get to be the real me. I get to be proud of my breasts. And I am very proud!"

One of the most spectacularly curvaceous big girls ever is back for her annual visit to V-Mag, and this time, she's dressed pretty much as she'd be if you saw her in the supermarket. "In Baltimore, my hometown, I'm not as much of a celebrity because everybody knows me," Deja said. "They're all like, 'Oh, that's just Deja.' Then when somebody from out of town sees me, they want autographs, they wanna talk to me. When I first started, I never thought I would have as many fans as I do. You know, you never think you're as good as you may be. I never really realized that my breasts would be so popular." So popular, in fact, that Deja finished second for 2005 Plumper of the Year, and now she's up for the 2006 version of the award. These pics should get her votes.

Deja is truly a marvel of natural genetic engineering. She's a very large girl, and yet she has a flaring waist, beautiful, shapely legs and a big, round butt. There isn't a bad inch on her body! "I guess I don't always realize that about myself," said Deja, who makes her Internet home at [msdeja.com](http://msdeja.com). "I mean, I'm me. This is the body I've always had. I don't stop to think that most big girls don't curve the way I do. But if I'm special, I'm glad that I am because it has won me a lot of admirers." Admire away, V-Men. Admire her in the new DVD *Big Tits, Pink Slits*. Watching Deja never grows old.

The slim-n-superstacked hot body from the monster-hit DVD *Merilyn Busts Out* returns in all-new videos bursting with breast-bouncing and pussy vibrating. Merilyn fantasy role-plays as a schoolgirl, lifeguard, hooker, slutty secretary, rocker and more. "Brandy..."

"I'm going to take you to the art museum and then make you dinner at my place," she said.

I didn't hesitate. It was not only an offer I couldn't refuse. It was an offer I didn't want to refuse.

The museum featured an exhibit by a new impressionist who showed major promise, and as Brandy and I strolled through, I felt the tension of the day ease. By the time we arrived at her apartment, I was nearly mellow. Nearly, not totally, because I'd never been to Brandy's apartment. I hadn't even known where she lived, didn't even know if she had a steady boyfriend or live-in lover. Why didn't I know these things about her, when she knew all there was to know about me? Was I that self-absorbed, or could I rationalize it by saying I was just too wrapped up in my own professional and personal life to inquire about hers?

"I'm a jerk," I said as Brandy led me into her place, a modest one-bedroom apartment with tasteful furniture.

She closed the door and looked at me. "Why?"

"Because I don't know anything about you, and you know everything about me," I said.

She brushed it off and led me into the kitchen, where she handed me a bottle of wine and an opener.

"To celebrate your freedom," she said, touching my shoulder.

We finished the wine over dinner and uncorked a second bottle before moving on to the living room. She put on some soft music, and I stood watching her as she adjusted the volume. Her navy slacks hugged her buttocks tightly enough that I could see her panty line. Her hips flared to a narrow waist. Her blouse was pale-blue satin.

"That too loud?" she asked, looking over her shoulder. When I said no, she turned toward me, and I watched the light reflecting off of her mammoth tits.

Brandy motioned me toward the couch, and when I lifted my legs, she slipped my loafers off.

"Better?" she asked.

I nodded.

"Good," she said and handed me a glass of wine. She sat next to me, kicked

off her shoes and clinked her glass against mine. We sipped, eyes fixed on each other's faces. I looked down at my glass and saw that the first couple of buttons on Brandy's blouse had somehow come undone. She appeared not to notice. Maybe it was the wine, or maybe it was the woman sitting next to me. Whatever, I suddenly wanted nothing more than to please her.

"Thank you," I said.

"For what?"

"For this. For listening. For being there," I raised my glass again. "To an incredibly beautiful woman."

Careful, I thought. *You're rebounding. You don't want to drive her away.*

"Do you really think I'm beautiful?" she said.

"I do."

She looked down, her eyes drifting to her blouse. "I'm okay, I guess, but I've always thought that my breasts were too big for the rest of me."

I tried not to embarrass her by ogling. "I think they're fine as they are."

"I don't know. I've been toying with having breast-reduction surgery."

"Personally," I said, "I wouldn't touch them..."

A moment of startled silence passed between us, and I felt the blood rush to my face.

"Personally, I wish you would touch them," she said softly.

Brandy took my glass and put hers and mine on the end table. "I really wish you would," she repeated as she placed one hand against my cheek and placed my hands on her blouse. My fingers began fumbling at her buttons, and I tried not to seem too anxious.

"I hated to see you so hurt," she said, "but I have to confess that when you told me you were finally getting a divorce, I was happy inside."

I stared into her brown eyes. "Brandy. I hate to admit this, especially now, when the thought of maybe hurting you tears me apart, but I have a confession to make, too. That patient today..."

"Was a professional," she said. "I know that. I understand. I assume she used protection?" I nodded. "And you found out what you needed to know?" I nodded again as her fingers stroked my cheek. "Is there anything else you'd like to tell me?"

"No," I said. "Just that I'm happy to be here with you right now."

She kissed my eyelids, my nose and

## DEBORAH BLUE

**This time, she's showing you her kinky side. You have no idea how lucky you are.**

Our covergirl this month never thought she'd ever be on the cover of a men's magazine. "I never thought of myself as special," said Deborah Blue, whose pretty face and most-special assets are on display right here. "I'm Debbie, the girl who everyone looked at and said, 'She'd be so pretty if she lost a few pounds.' Being appreciated for who I am is a dream come true."

When Deborah made her worldwide magazine debut in the Nov. '06 issue, she told us that her last boyfriend actually asked her to lose weight. That prompted a predictable outcry from V-Men. Wrote L.R. from Liverpool, England, "Any man who would ask a beautiful, voluptuous woman like Deborah to lose even an ounce off of her delicious frame isn't a man at all." Added T.L. from Forest Hills, New York, "Deborah is perfection personified, and her ex is an idiot."

Deborah is the girl next door. She's a secretary, and she says she never shows her kinky side unless she's with a man she cares for. The outfit she's wearing here is hers, but she's never worn it before and won't wear it again "until I meet the man of my dreams. I want to be everything to him: his friend, his lover and his fantasy girl. His wife." She lifted a nipple up to her mouth, took a deep suck, let it drop and smiled. "I can be your lady in the boardroom and whore in the bedroom." She pushed her tits together and licked her lips. "Isn't that what every man wants?"

my lips, chastely at first and then with her mouth open as our tongues touched. I opened her blouse and felt the spongy softness of her breasts as they strained against her bra. My face found her cleavage, and I kissed the tit-flesh that formed it. Brandy held my head and moaned. My cock got hard so quickly that I thought my erection might rip through my boxers, if not my trousers, too.

I sat up as Brandy knelt across my lap and took off her blouse. Her breasts jiggled, and her look suggested that she knew exactly the effect she was having on me. She lowered her bra straps and lowered the cups just far enough to keep half of her tit-flesh exposed but her nipples hidden. Her breasts were in front of my face, teasing me with the promise of what was to come. Her hands rested on my shoulders as I reached behind her with one hand and unhooked her bra while the other hand pressed the lacy cups against her flesh.

I held the fabric firmly to her breasts and peeled it down slowly, as if I were unwrapping a pair of plump presents, exposing first one nipple and then the other. She quivered as my lips fastened to the nub of her nipple. My tongue flicked it, then I opened my mouth wide and took it inside. I didn't bite, I sucked, gently, and my other hand didn't squeeze, it stroked. I recalled Carmen's parting words this morning: "Your dick was into it, but your heart wasn't." This time, my heart was into it.

Brandy lowered herself enough to kiss me again. As her crotch met mine, I could feel her lips spread into a smile as she withdrew her tongue and said, "My, my." She lifted off my shirt and shifted her body to my lap. Her fingers traced the outline of my erection through my trousers, then she bit my cock through my pants. She raised herself just enough to get access to my belt and fly, then reached inside my shorts to pull out my rock-hard cock.

"Hello, lover," she cooed.

She started at my cock and kissed down the right side, up the underside and down the left. Her tongue toured the same route and ended with a lick all around the tip. She pursed her lips, placed them on my foreskin and slowly, almost agonizingly, eased them around

and down until her mouth met my balls. She had my cock in her mouth, and just as slowly as she had engulfed it, she released it, turned toward me and said, "That's for starters."

After removing my pants, shorts and socks, Brandy buried her face in my crotch again. Her golden-brown hair formed a silky curtain that prevented me from seeing what she was doing, but that only heightened my senses. I felt her gently lapping my balls, then delicately sucking on my sac, strongly enough to be felt but not enough to hurt. I felt her lips around the base of my shaft and the wetness of her tongue as it moved up. Then she released me and brought her face to my stomach, and I felt the softness of her breasts and the hardness of her nipples against my cock. I almost came on her tits.

Brandy stood next to me, naked except for her low-slung pants. She unzipped them and spread apart the fly, showing the top of her bikini panties. She turned, lowered her pants past her ass and let them fall to the floor. She slid her panties down next, and I gasped as she slowly lowered them to show me her smoothly shaved pussy.

I reached behind her, cupped her buttocks and drew her to my face. I kissed her from her navel to her pussy, and when she opened her legs, I kissed between them. My lips found her clit, and I kissed it the way I'd first kissed her nipple, feeling her whole body shudder as she climaxed.

Soon I was lying flat on the couch with Brandy on top of me in the 69 position, me eating her pussy as she swallowed my cock again. I felt like I was about to shoot my load right into her mouth, but I didn't want to, not yet. I pulled away and lay behind Brandy in the spoon position. She lifted a leg and guided my cock into her cunt as I wrapped my arm around her waist and moved my hand up to cup her breasts. We kissed again, deep into our passion, maybe even into love. It was another sudden and unbidden thought, just the one I had had that morning, but this time, I didn't question it.

I pulled my cock out, lay Brandy on her back and entered her pussy in the missionary position. I stroked her hair, caressed her face and found my way to her huge tits, which heaved as I fucked her faster. I held still again, delaying my climax and placed two fingertips against her lips. She licked them and

took them into her mouth. When I removed them, she asked, "Fuck my tits? Please?"

I straddled Brandy's chest, rubbed my cock over her nipples and let it fall into her cleavage as she pressed her breasts together and made a bridge with her fingers to hold my penis in place. She smiled as my foreskin peeked out above her breasts and looked up at me with loving eyes.

"I want to taste your cum," she said. "Fuck my face."

I stood beside the sofa as Brandy sat facing me, her eyes fixed on my cock. She cupped my balls and guided me into her mouth. I buried my fingers in her hair and began easing my way forward and back. She looked up at me, and I looked to see my cock sliding between her pale, pink lips. Her fingernails tickled my balls, and my entire body spasmed in release. My sperm spilled into her throat like cream from a pitcher, and she pressed her face into my crotch as if she were milking my cock, desperate for every ounce of cum in my balls.

When I had finished emptying my load into her mouth, Brandy released my cock and rubbed it over her face, leaving it shiny with cum and spit. She held my cock to her lips as she looked up at me.

"Sex is so much better when your heart is into it, isn't it?" she said.

Now what made her say that?

**W**e had sex twice more before dawn, and as I lay in my bed wide awake, Brandy fast asleep in the crook of my neck, her huge breasts pillowing against my side, I wondered, *Is it lust? Is it love? Or is it temporary insanity.*

My divorce had been final for less than 24 hours. The previous morning, I'd fucked a prostitute. And now, this.

I wasn't ready to declare that Brandy was the love of my life. Not so hastily, not when I was in the midsts of the greatest emotional upheaval of my life and didn't know quite where I was: at the end of something bad or the beginning of something great.

I felt her softly stroking my cock back to life. Her eyes opened, and she looked up at me, then she smiled and started her journey down my chest, toward my hardening cock.

That seemed to me like a very good place to start.

## Knockin' Nipples

Two V-Mag  
super girls go  
tit-to-tit

Bozena (she's wearing the burgundy dress) is from the Czech Republic. Eden (she's wearing the black dress) is from Israel. Before these pictures were taken, they had never met each other. And yet, they're made for each other. "Isn't it amazing?" Eden said. "Our bodies are so similar, we could be sisters!" But sisters don't do what they're doing here.

## Knockin' Nipples

In the DVD *Knockin' Nipples*, Bozena and Eden are in the pool, rubbing their tits against each other. Bozena has F-cups while Eden has E-cups, and Eden's areolae are lighter and bigger, but the shape of their breasts is startlingly similar. The camera goes underwater for some great tit-flotation shots, then the girls get out of the pool and put on one of the most amazing tit shows you'll ever see. "We couldn't communicate with words, so we communicated with our bodies," Eden said. "It came so naturally." Watching Bozena and Eden, you'll cum, too...naturally.

Dear *Voluptuous*,

You totally ruined one of my favorite models for me. I'd been avoiding the video *Chesty Peggos* because I didn't want to see Annie Swanson pregnant, then you threw it in our faces in the Holiday '06 issue. Thanks for nothing. Dear *Voluptuous*,

I just got done reading the October '06 issue of *Voluptuous*. Awesome! Kat James is nice and furry. I can't tell you how nice it is to see a natural, gorgeous, non-skinny, model-type woman. I have been a reader of *Voluptuous* for many years and must tell you that I love women of Kat James' nature. Sure, I could've bought a competitor's mag, but when I saw the hair under Kat's arms, I said, "Sold!" I love when you show unshaved women like Kat.—Rob, Westchester, New York

## IS BEA REALLY NATURAL?

Dear *Voluptuous*,

Oh my God! I have seen many magazines and videos that featured the great Via Paxton, and I have enjoyed each and every one of them, especially the ones in which she gained weight. But without a doubt, the greatest photo that I've ever seen of Via is on page 14 of the November '06 issue. That photo alone should be enough for her to win the entire "Big-Breast Challenge." Whoever shot it should get a huge raise.

I have a question. I don't want to ask, but in the name of Julia Miles, I have to. Now, I'm not one to stir a hornet's nest, but are Bea Flora's boobs all natural? Don't get me wrong. She is as hot and sexy as the next model, but I've been wondering since her debut. I apologize to the Bea Flora fans for writing. I hope I'm wrong.—T.W., Dayton, Ohio

Dear T.W.: As you suggested, we were wrong about Julia Miles (whose breasts weren't really augmented in the truest sense of the word; they were lifted), but we don't think we're wrong about Bea. She insists that her breasts are natural (we

Is Bea Flora really natural? We have no reason to believe that she isn't.

asked, as we almost always do), and our photographer felt them (just out of curiosity, of course) and said they felt natural. Bea's breasts are unusually firm for their size, but they're not unnaturally firm, and they have no telltale signs of scars or silicone bags anywhere.

### THE STORY "ALL DOLLED UP" WAS A LITTLE FUCKED UP

Dear Voluptuous,

I'm one of those guys who reads the articles after I'm finished looking at the girls, and I just gotta say, that story in the Holiday '06 issue was a little fucked up ("All Dolled Up"). If I'm reading it right, that guy was fucking his love doll all along, but he was making believe it was a real girl. If that's the way it was, then we don't need any stories about fucking schizos.—J.R., Passaic, New Jersey

Dear J.R.: We prefer to leave the interpretation of fiction to our readers. If that's the way you read it, that's the way it is.

### A KERRY MARIE FANTASY

Dear Voluptuous,

I came up with two ideas for Kerry Marie or Linsey to do in a future DVD. One is "Biker Babe." The other is "The Cheerleader." Two of the all-time male fantasies, right?

As a 30-year-old biker and Harley Davidson owner, I think Kerry would do an awesome job. She would start out in a greasy, dirty garage (aren't they all greasy and dirty?), decked out, from top to bottom, in black leather: halter top, bra, mini-skirt, pantyhose, knee-high black boots, etc. She gets all excited by the sight of the bike and proceeds to strip nude, then pours some heavy 50-weight all over her massive breasts. Looking around for a toy to help her out, she pulls back the canvas cover of what she thinks is another bike, only to find a fuck machine! She proceeds to ride the machine like there's no tomorrow.

In "The Cheerleader," Kerry is wearing a high school letter sweater and a short, pleated skirt with pantyhose and tennis shoes. She is in a locker room. She has done her duty and cheered her team on to victory, and now she's thinking about all those young jocks on her team. She proceeds to have her way with herself on the locker room bench. Then she finds, amongst all the exercise equipment,

## Want Mouth, Ass or Pussy?

Your hand was a great invention. It fits around your cock very nicely, and after it jacks you off, it doesn't ask you to cuddle or make you go to the mall. But let's face it: There are times when you need more than just your fist. And there are times when a real, live mouth, pussy or ass isn't around to get you off. Then what?

Well, you could fuck that cantaloupe that's been sitting in your refrigerator for the past few weeks. Kinda messy, though. Or you could walk down to the corner and see if that \$25 hooker is hanging around. Kind of dangerous, though.

Or you could do what I did:  
Ring my

good friend Doc Johnson and order up a few Palm Pals for those special times when my hand just isn't good enough. The Palm Pal comes in three shapes—Mouth, Pussy and Ass—and it's made from ultra-realistic material that really feels like a woman's skin.

If you're like me, you're skeptical about simulated sex parts. You've been burnt before. You've shelled out serious cash for a porn star's simulated pussy, only to get a handful of rubber shit that does nothing to get you off.

But the Palm Pal is different. It feels right. It grips your cock. Sure, it won't help you get a hard-on (you're gonna have to do that part yourself), but once you slip your cock into the Palm Pal's tight orifice, you'll feel like you're fucking the real thing. And the Palm Pal will never ask you to take your cock out and cum all over its stomach just when you're about to cum.

Best of all, the Palm Pals are only \$9.95 each...a lot cheaper than the hooker on the corner or a trip to the mall. And a lot quieter, too.

**Fucking young Daphne's mouth, pussy and ass would be the ultimate, but the Palm Pal is the next best thing.**

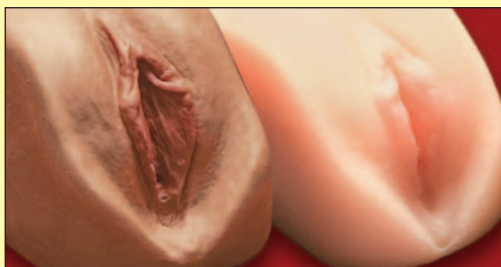

# Who needs women when there's Cyberskin!

There are many great things about a woman's mouth and pussy. That they can both get your cock off is at the top of most men's lists. But have you ever stopped to consider what it is about mouth and pussy that does the job?

There's the softness of a woman's lips and the way her mouth can modulate the pressure on your cock, depending on your needs. There's the warmth of her pussy, the wetness, the way it pulls you in and holds

on. The way it your cock. The way it accommodates your rod, no matter how big your dick is, and yet feels as if it was custom-made just for you.

Until now, the only way to get that real blow job and pussy feeling was to fuck a woman's mouth and pussy. But now, there's the Cyberskin Cyber Sex Buddy, the Cyberskin Vibrating Cyber Pussy and the Cyberskin Vibrating Cyber Suck.

Go ahead. Stick it in. You just might never need a real woman again.

The Cyber Sex Buddy has succulent pussy lips that envelop your cock and tight inner walls that grip your rod. Plus, the open-ended design increases stimulation and allows space for ultra-deep thrusting. In other words, like with a real woman, you never hit cock-bottom. The Vibrating Cyber Pussy takes it one step further with a special vibrating bullet for extra sensation. Close your eyes and you'll feel like you're fucking a real chick! The Vibrating Cyber Suck re-creates a woman's mouth, with the added stimulation of the vibrating bullet.

Dare I say it? It's better than a blow job!

**FREE SAMPLES!**

Lube and Cyber Skin™ Renew lotion included with all Cyberskin products.

## LUBE TALK

We jack a lot. Every day. Two or three times a day. We're jacking pros. And if there's one thing we know, it's that a well-lubed jack is better than a dry one.

Makes sense, doesn't it? Doesn't wet pussy feel better than dry pussy?

The question is, which lube should you use. And all lubes are not the same.

Eros Bodyglide never gets sticky, so you can glide up and down your pole. Eros Light Love Bodyglide is thinner, softer and more slippery. Eros Aqua Bodyglide is water-based, so cleanup is easy.

Then there's WET's quality line of lubes, including Light (for easy cleanup), Platinum (great texture!) and Original, the time-proven choice for jacking.

Pick one, and enjoy yourself, with yourself!

another—you guessed it!—fuck machine! Let the games and the cheering begin!—R.C., Winchester, Virginia

*Dear R.C.: Thanks for your ideas, and we'll definitely take them into consideration. Readers, we invite you to share your V-Girl fantasies with us. Maybe, one day, they'll show up in an actual DVD!*

### **"PLEASE, STAY OUT OF THE WAY OF OUR FANTASIES!"**

Dear *Voluptuous*,

Wonderful picture of Marilyn Sakova on page 70 of the December '06 issue, but it was spoiled by the totally unnecessary insert that completely does away with the impression that her tits have been loaded with sperm.

Jelena: Wonderful model but ideal for a tight, little corset and some stockings and suspenders or some fine, dark, sheer tights. And, once again, two lovely, full-page, frameable photos (pages 93 and 95) spoiled by little text inserts. Please stop this. It's untidy and unnecessary. Put them on one of the multi-picture pages. The bottom of page 94, for example.

More hosiery! Let's have some imagination. Your photography really gets rather boring sometimes. And when the model does wear stockings, keep them on. The brief glimpse of stocking seams on Winter is very frustrating.—John, address withheld

## BRIGITE

**A V-Girl from a city called Most. She has the most-est.**

Not a lot of tourists make their way to Most, a city in the northwestern corner of the Czech Republic, but if you're into beautiful, sexy women, it's a good place to go. Most is the birthplace of a former *Playboy* Playmate, and it's also home to one of the biggest pairs of natural tits in the country. That pair belongs to Brigitte, who says, "There are many beautiful women living in my city, but I have the biggest breasts."

Brigite's combination of fresh face, youthful enthusiasm and huge tits is irresistible. Our photographer couldn't resist it. He was in Prague, about 45 miles southeast of Most, shooting for one of V-Mag's sister publications, when the model he was photographing told him about "my young, big-breasted friend the tour guide in Most." After the shoot, he packed his bags and headed north. He didn't have a hard time finding Brigitte. "I saw her in the cafe of the Hotel Cascade," our photog said. "Her breasts were pouring out of her top, and she was surrounded by several onlookers."

## BARE FACTS

### BRIGITE

**Birthday:** Feb. 20, 1984

**Age:** 22 **Height:** 5'5"

**Weight:** 142 lbs.

**Bra Size:** 38F

**Measurements:** 44-30-38

**Born, Raised & Lives:**

Most, Czech Republic

**Occupation:** Tour guide

**Sexual Fantasy:** "I want to have sex in the lookout tower of the Castle Hnevin in our city."

Brigite says life isn't very exciting in Most, an old industrial town, so when our photographer showed her his card, she jumped at the chance to have some fun. "I love doing new things," Brigitte said. "I love trying things that other people maybe do not have the chance to do. I have big breasts, and that is one of the things that makes me special, and it gets me a lot of attention. I like to take advantage of that." In her job as a tour guide, she often catches men staring at her chest instead of the sights. "That is okay," she said, smiling. "With me, it is always okay to look!"

# SKYIE BLEW DOUBLE-STUFFED

The “doctors” said she didn’t need to go on a diet. She needed more cock.

Because she, like just about every other woman on the face of the Earth, has been brainwashed to think that guys like skinny chicks, DDD-cup Army brat Skyie was on the verge of starting a serious weight-loss program so she could fit into a bikini for the summer. Then the guys from Weight Loss Intervention showed up. Good thing. They convinced her that her voluptuous body looks great pouring out of a bikini, then proceeded to give her the biggest ego boost a V-Girl can get: two heaping helpings of cock between her tits, in her mouth and in her pussy *and* ass!

## BARE FACTS

## SKYIE BLEW

Age: 32 Birthday: March 10, 1974 Height: 5'2"  
Weight: 148 lbs. Bra: 38DDD Measurements: 41-32-41  
Previous *Voluptuous* Appearance: November '06  
Video: *Double-Stuffed Plumpers* (XXX-Rated three-way anal, DVD  
and VHS available on page seven of the main mag)

The boys from *Weight Loss Intervention* really know how to treat a plumper. In the new DVD *Double-Stuffed Plumpers* (also starring Monique L'Amour, Trish Bailey and Wyldroze), they put Skyie on a double-meat diet that makes her realize she's A-OK with any man who knows what real women are supposed to look like. They slap her ass and play with her tits. As Skyie's confidence grows, she sucks off both "diet doctors." She licks one set of balls while getting fucked from behind. And then..."Oh, it's in my ass!" as meat plunders her mouth and butthole. She's double-stuffed. And proud.

# LILY VALENTINE BODY HEAT

It might be the dead of winter, but Lily's face warmers will make you sweat.

It's winter, and baby, it's cold outside! But it's warm inside Lily Valentine's mouth and pussy and between her soft, fleshy pillows. "I love to fuck in the winter," this French-Canadian sexpot told us through an interpreter (she barely speaks English). "I love wearing tight sweaters and feeling my nipples hardening from the cold, then going inside and getting warm by rubbing up against a man's body." Lily never has trouble finding a partner. Not with *that* body! She fucks and sucks with lusty abandon in the new DVD *Sleeping Sluts* (available on page 72 of the main mag), and here she is again, proving why she might be the sexiest newcomer of 2006.

## BARE FACTS

## LILY VALENTINE

Age: 21 Birthday: November 29, 1985 Height: 5'7" Weight: 130 lbs.  
Bra Size: 36DDD Measurements: 40-28-36 Born & Lives: Montreal, Canada  
Occupation: College student Previous *Voluptuous* Appearance: Oct. '06  
Video: *Sleeping Sluts* (XXX-Rated boy-girl, DVD and VHS available on page 72 of the main mag); More XXX clips and a video interview at [Scoreland.com](http://Scoreland.com)

In *Sleeping Sluts*, Lily wakes up to her “boy-friend” playing with her tits through a purple bra. “What are you doing?” Lily asks. “Do you want to fuck me?” Yeah, he does, and we’re treated to cock-hardening views of Lily’s sultry dick-sucking mouth, then her hanging floppers as she gets fucked from behind. These photos were taken in the same country wood house where *Sleeping Sluts* was filmed and offer another look at a super-sexy newcomer who’s no porn star. She’s just a college student. “I love to have sex,” she said. “I need to masturbate at least twice a day. I’m just doing what comes naturally.” And, luckily, we get to watch!
